Welcome to File Share

Start collaborating with your community
by sharing files with one another.

Customize the Design

Personalize the display to
make it your own.

Upload All File Formats

Add docs, images, videos,
PDFs and more.

Find Files Quickly

Locate files easily with intuitive
sorting and search options.

Set Member Permissions

Control who can view, upload,
download and manage files.

Stay Organized

Catalogue files in
folders for easy access.

Manage On-the-Go

Keep track of your files
anytime, anywhere.
